Why Exhibit

THE NETHERLANDS TEXTILE & ACCESSORIES FAIR offers buyers, distributors, manufacturers and designers the opportunity to view a large range of textiles and accessories from Oriental to Europe.

THE NETHERLANDS TEXTILE & ACCESSORIES FAIR attracts designers, buyers and product developers to source and develop new and exciting products.

The most interesting thing for textile exporters that textile manufacturing industry imported 95% clothing fabrics is in The Netherlands.

The Netherlands has a great importance in fabrics and textile sectors. MODINT, as a textile industry organisation in the country, has approx. 750 business members which half of its members operate internationally. These businesses are involved in the production and/or trading of clothes, fashion accessories and textiles. The businesses have a combined annual turnover of €9 billion in the Netherlands, of which 50% is exported.

The main importers for The European Union of textile and clothing products are China, Turkey, India, Bangladesh, Tunisia, Pakistan, Morocco, Indonesia and Vietnam. The Netherlands Textile & Accessories Fair will provide a fantastic opportunity to accelerate re-exporting by new products and designs.
